“An Evening to Remember”

Salesian Class of 1964 Fifty Year Class Reunion Celebration!!

On July 26th 2014 at the Quite Cannon in Montebello, the Salesian Class of 1964 celebrated its 50th High School Reunion. In addition, the Class of ’64 took the opportunity to give special recognition for the Classes of ’62 and ’63. Sal Padilla and Johnny Gonzalez along with other alumnus from ’62 were present and honored as members of the first Class to graduate from Salesian High School. The Class of ’63 was represented by Bob Seijas and classmate Mark Mullen who was a great outside shooter for our basketball team back in the early days.
The Class of ’62 honored fellow alumnus Charlie Garcia who was not present due to medical complications, our prayers go out to him and his family. Charlie was the first athlete to letter Varsity in all four sports during his four years while attending Salesian High School.

The Emcee for the evening was Joe Caldera who did a great job in honoring all the committee members who put on a great evening of entertainment. The Music was provided by CHICO featuring Joe Espinosa and the renowned vocals of Bertha Oropeza. The entire dance floor was packed with dancers listening to the great sounds of the ’60’s and the music we all grew up with!

We would like to thank Coach Jackson Salesian Varsity Football Coach for being present and seeing firsthand the history on how the pride and spirit first began at SHS and how it continues to the present day.

The entire venue was filled with Salesian Pride and the brotherhood of all alumni along with their significant others who attended this great event.

We would also like to recognize all the ladies who attended the event as well, and give a shout out to their Alma Mater’s, Sacred Heart of Jesus, Queen of Angels, Bishop Conaty, Loretto, Garfield, Roosevelt, Wilson, Saint Mathis, Montebello, Belmont, Pioneer and more. WOW what a turn out!

We look forward to next year’s 50th Reunion for the Class of ’65 visit our website for further details on this event. Don’t be left out, it will be another “Evening to Remember”.
